

FREIGHT COMPLEX

Grow your logistics business with us

A dynamic multi-tenant facility located within the freight forwarding zone, the Freight Complex is designed specifically for companies that transfer fast moving cargo and are airfreight dependent.

Designed to be highly flexible, these facilities are the perfect solution for companies that need a smaller storage space with seamless airfreight handling capabilities. Clients also have the opportunity to combine, modify or customise units as their freight forwarding businesses expand.

Logistics District

A development by  DUBAI SOUTH
